INTRODUCING THE COMPLETELY NEW M-LINE WITH EOS TECHNOLOGY INSIDE

The newly-designed M-Line now proudly offers EOS technology as well as faster installation time. Using EOS reduces product setup to a mere 3 steps from the previous 5, making the new M-Line our most advanced, user-friendly, and easy-to-use opener yet.

The All-New Plug-In Jack

One of many new innovations that contribute to operator ease of installation. Photo eye installation made easy!
